FAIR COST FUNERALS

A Fair Cost Funeral

We all know how expensive a 'traditional' funeral can be. A Funeral Director will need to be appointed along with a team of staff to organise the hearse, the limousines, flowers, cards and often a headstone. All of this can take quite some time to arrange, it can take several lengthy meetings and of course it can become very costly.

Fair Cost Funerals offer a more manageable, less costly way to arrange a funeral giving you the freedom and flexibility to customise the funeral arrangements your way. You'll have a personalised funeral for your loved one, incorporating the traditions that are important to you in a way that's sympathetic to your budget.

By cutting back on the more traditional elements of a funeral such as a team of pallbearers, a procession with limousines and a hearse, Fair Cost Funerals offer you a more cost-effective, modest funeral with the focus placed directly on a personal, respectful, beautiful funeral service.
